

C I R C U L A R – 135 (HSE)**Date:** March 11, 2009**Ref:** ZADC/HSE/AAZ/gs-053**TO :** **ALL CONSULTANTS, CONTRACTORS AND PROJECT MANAGEMENT****SUBJECT:** **HEALTH, SAFETY AND ENVIRONMENT PASSPORT SYSTEM**

With reference to Zoning Authority Development Control, HSE Objectives for continuous improvement and achieving the construction excellence and further to our pervious circular ref: ZADC/HSE/AAZ/gs-043 dated: 07-January-2009, the **HSE team (HSE Managers, HSE Engineers and HSE Officers)** should obtain the **HSE Passport** by undertaking the following training programme, which is designed based on extensive experience & best practice from the construction projects. The HSE Passport System will add valuable value to your company as it is an excellent investment.

1	HSE Awareness for Site Management	Silver card	Site Managers, All Engineers, Safety Managers, and Safety Supervisors	5 day programme
---	-----------------------------------	-------------	---	-----------------

The approval of HSE Officers should be submitted to Zoning Authority through “**Project HSE Officer Approval Application Form**” after obtaining the HSE Passport from **now onwards**.

The objectives of **HSE Passport system** are:

- 1) To introduce Zoning Authority HSE Regulations
- 2) To change the current safety culture from reactive to pro-active.
- 3) To introduce the best safety practices for the construction to raise the HSE awareness among all contractors and consultants.
- 4) To improve the competence, safety experience and performance of the construction team.
- 5) To reduce the construction related accidents.
- 6) To ensure the safety for all construction sites.
- 7) To avoid fine.
